These documents constitute confidential and proprietary commercial and/or financial information subject to the confidentiality protections set forth in R.I. Gen. Laws §23-17.14-32. Pursuant to R.I. Gen. Laws § 38-2-2, “non-public” records include “commercial or financial information obtained from a person, firm, or corporation that is of a privileged or confidential nature.” As set forth below, the above documents involve commercial and financial information obtained from the Transacting Parties that is highly confidential.

Specifically, these documents contain confidential unaudited financial information of the Transacting Parties. Such information is proprietary financial information and should not be publically disclosed pursuant to R.I. Gen. Laws § 38-2-2. The disclosure of such confidential financial information could adversely affect the Transacting Parties and their affiliates.

In light of the highly confidential nature of the above-referenced documents, we respectfully request that these documents be maintained confidentially.

Please contact us if you have any questions or comments. As always, thank you for your consideration.

Sincerely,
